

Eric W. Christensen, PhD

16889 Hubbard Trail, Lakeville, MN 55044; 703-244-3224 – christensen.ericw@gmail.com

Education

PhD, Economics, University of Illinois at Urbana-Champaign, 2001

MA, Economics, Colorado State University, 1996

BS, Business Management (Finance), Brigham Young University, 1994

Experience

Neiman Health Policy Institute, American College of Radiology, Reston, VA
Principal Research Scientist in Health Economics 2021-present

College of Continuing and Professional Studies, University of Minnesota, St Paul, MN
Adjunct Professor, Health Services Management 2017-present

- Applied Health Economics
- Health Economics and Policy

Eric W. Christensen, PhD, LLC, Lakeville, MN
Economic Consultant 2017-present

- Litigation consulting
- Health economic consulting

School of Business and Economics, University of Wisconsin – Superior, Superior, WI
Senior Lecturer 2021

- Principles of Microeconomics
- Principles of Macroeconomics

Children’s Hospitals and Clinics of Minnesota, Minneapolis, MN
Health Economist, Children’s Minnesota Research Institute 2015-2017

Center for Naval Analyses (CNA), Alexandria, VA
Managing Director/Research Team Leader, Health Research and Policy 2008-2015
Associate Director, Health Research and Policy 2008
Scientific Analyst to the Navy Surgeon General 2006-2009
Project Director, Health Research and Policy 2003-2008
Analyst assigned to the Navy Base Realignment and Closure Office 2003-2005
Analyst, Health Research and Policy 2001-2003

Eric W. Christensen, PhD, Woodbridge, VA
Economic Consultant 2004-2007

- Litigation consulting
- Consulted on business valuation, education funding, earnings losses, and medical costs

Presentations

Presented with Julie Bolson “Emergency Preparedness Education—Does it Make Cents?” at the 2019 Association of Healthcare Emergency Preparedness Professionals Annual Conference, Orlando, FL, 6 November 2019

Eric W. Christensen, PhD

16889 Hubbard Trail, Lakeville, MN 55044; 703-244-3224 – christensen.ericw@gmail.com

Presented “Evidence of Wage Recovery Following Worker Displacement” at the 2018 South Dakota Defense Lawyers Association Annual Seminar, Sioux Falls, SD, 9 November 2018

Presented “An Economic Perspective on Applying Value of Statistical Life Estimates in Litigation” at the Las Vegas Defense Lawyers Association Seminar, Las Vegas, NV, 8 November 2018

Presented “Evidence of Wage Recovery Following Worker Displacement” at the North Dakota Defense Lawyers Association Annual Meeting and Fall Seminar, Bismarck, ND, 21 September 2018

Presented “Should the net discount rate vary by the worker’s age, education level, and gender?” at the American Rehabilitation Economics Association Annual Conference, Austin, TX, 22 June 2018

Presented with Michael D. Finch “Does the presence of a children’s hospital in a market reduce the market’s in-hospital mortality rate?” at the Minnesota Health Services Research Conference, St. Paul, MN, 7 March 2017

Presented with Roy Maynard “Do labor market conditions affect the length of stay for chronic respiratory failure hospitalizations?” at the Minnesota Health Services Research Conference, St. Paul, MN, 7 March 2017

Presented with Michael D. Finch “Impact of Children’s Hospitals on Market Mortality” at the Children’s Hospital Association Pediatric Analytics Conference, Kansas City, MO, 27 October 2016

Presented with Anupam B. Kharbanda, Heidi Vander Velden, and Nathaniel R. Payne “Predicting Frequent ED Use for Pediatric Medicaid Patients” at the Pediatric Academic Societies Meeting in Baltimore, MD, 2 May 2016

Poster presentation with Nathaniel R. Payne “Reducing Pediatric Readmissions in an Accountable Care Organization” at the Pediatric Academic Societies Meeting in Baltimore, MD, 1 May 2016

Presented with Nathaniel R. Payne “Effect of Attribution Length on the Use and Cost of Health Care for a Pediatric Medicaid ACO” at the Pediatric Academic Societies Meeting in Baltimore, MD, 30 April 2016

Presented with Eric G. Solnitzky and Pamala J. VanHazinga “Population Health: What Have We Learned?” at Grand Rounds, Children’s Hospitals and Clinics of Minnesota, Minneapolis, MN, 11 February 2016

Presented with Nathaniel R. Payne “Readmissions—Can They Be Reduced?” at the Pediatric Quality and Patient Safety Conference: Collaborating to Make Pediatric Health Care Safer in Minnesota, Minneapolis, MN, 18 December 2015

Presented “Impact of Patient Attribution Length on Utilization and Costs for a Medicaid ACO” at the 2015 Pediatric Analytics Conference, Kansas City, MO, 25 September 2015

Presented “An Evaluation of Navy Medicine’s Patient-Centered Medical Home Model for Primary Care” at the Western Economic Association International Eighty-ninth Annual Conference, Denver, CO, 29 June 2014

Poster presentation, “Evaluating Patient Satisfaction at a U.S. Navy Patient-Centered Medical Home”, at the 2012 Academy Health Annual Research Meeting, Orlando, FL, 24 June 2012

Eric W. Christensen, PhD

16889 Hubbard Trail, Lakeville, MN 55044; 703-244-3224 – christensen.ericw@gmail.com

Presented “Patient-centered Medical Home (PCMH)/Medical Home Port (MHP) Evaluation” at the 2012 Navy Medicine Audit Readiness Training Symposium, Lansdowne, VA, 6 June 2012

Presented “Economic Stress on Families of Injured Warriors” at the Workshop on the Scientific Study of Military Children, Washington, DC, 17 November 2011

Testimony before the Committee on Veterans’ Affairs, Subcommittee on Disability Assistance and Memorial Affairs, United States House of Representatives, Quality vs. Quantity: Examining the Veterans Benefits Administration’s Employee Work Credit and Management Systems, Washington, DC, 6 May 2010

Panelist at the 2009 Defense Forum Washington “Coping with Unseen Injuries: From the Battlefield to the Homefront” co-sponsored by the U.S. Naval Institute and the Military Officers Association of America, Alexandria, VA, 16 September 2009

Presented “Utilization, Attrition, Accession, and Cost of Medical Reserves” at the Western Economic Association International Eighty-fourth Annual Conference, Vancouver, BC, 2 July 2009

Testimony before the Committee on Veterans’ Affairs, United States Senate regarding Veterans’ Disability Benefits Compensation and Quality of Life, with Joyce McMahon, Washington, DC, 27 February 2008

Presented “Unified Medical Command Study” to the DOD Task Force on the Future of Military Health Care, Washington, DC, September 2007

Provided monthly testimony regarding the “Disabled Veterans Compensation and Quality of life Study” to the Veterans’ Disability Benefits Commission, Washington, DC, June 2006-August 2007

Presented “Economic Impact of Hospitals on Communities” at the Colorado Health and Hospital Association Conference, Vail, CO, September 2004

Presented “How Does DOD Determine a Reasonable Active Duty Obligation?” at the Fourth Annual Navy Workforce Research and Analysis Conference, Arlington, VA, March 2004

Presented “Life-Cycle Costs of Selected Uniform Health Professions Study” at the Third Annual Navy Workforce Research and Analysis Conference, Alexandria, VA, April 2003
