Neiman Institute Research Fellowship in Clinical Effectiveness and Health Policy Research

Application Process: Program advertisement and official call for applications to the ACR membership will be posted in October and November. **Application deadline is December 13th at 8:00 PM EST.** Applications will be reviewed by the program chairs. The applicant selected will be announced by December 30th. The fellowship period starts January 18th and terminates December 31st.

Eligibility requirements:
(1) Applicant must be an ACR member in good standing with an MD and/or PhD (or equivalent) degree.
(2) Applicant must be a fellow (PGY 6+) or junior faculty (within first 5 years after completion of graduate training) during the research fellowship award period.
(3) Applicant's primary institution must be an ACGME-certified program in radiology, radiation oncology or nuclear medicine discipline.
(4) Department Chair and/or Program Director must provide endorsement of the application with commitment to support 20% effort for the applicant to dedicate to the research project during the fellowship period and attendance at the on-site program visit and ACR annual conference according to institution's policies.

PLEASE SUBMIT THIS COMPLETED APPLICATION WITH THE FOLLOWING REQUIRED ATTACHMENTS:

1. **Project Proposal:** Research proposals focused on strategic topics in demonstrating the value of imaging in the context of health policy are strongly encouraged (recommended strategic topics are listed in the Prospectus) Provide a description of the proposed project to be completed during the fellowship period in collaboration with the supporting scientists, research specialists and staff. Format the proposal with the (1) project title, (2) strategic category and describe how it will advance the Neiman Health Policy Institute's mission, (3) brief background (including references) stating the significance of the proposed project, (4) specific aim(s) and hypothesis, (5) methods and statistical analyses, and (6) project deliverables. Format requirements include: (a) maximum length is 2 pages (not including references) with 0.5" margins; (b) single-spaced; (c) font type Arial or Times New Roman (no smaller than 11 points). Applications that do not adhere to the requirements will not undergo the review process.
2. **Curriculum Vitae (CV):** Prefer NIH Biosketch format (5-pages maximum)
3. **Letter of Support** from Department Chair or Program Director with endorsement of the application and description of the department's commitment for the applicant to participate in the program.
