

Neiman Institute Research Fellowship in Clinical Effectiveness and Health Policy Research

Application Process: **Application deadline is June 2, 2025 at 8:00 PM EST.** Applications will be reviewed by the program chairs. The fellowship period starts July 1, 2025 (can be flexible on start date) and terminates June 30, 2026 (or one year after agreed upon start date).

Eligibility requirements:

1. Applicant must be an ACR member in good standing with an MD and/or PhD (or equivalent) degree or MD and/or PhD candidate.
2. Applicant must be a fellow (PGY 6+), resident (PGY 2-5), or junior faculty (within first 5 years after completion of graduate training) during the research fellowship award period.
3. Department Chair and/or Program Director must provide endorsement of the application with commitment to support 20% effort for the applicant to dedicate to the research project during the fellowship period and, as deemed necessary during the course of the fellowship, to make an on-site program visit and/or attend the ACR annual conference, according to institution's policies.

PLEASE SUBMIT THIS COMPLETED APPLICATION WITH THE FOLLOWING REQUIRED ATTACHMENTS:

1. **Project Proposal:** Research proposals focused on strategic topics in demonstrating the value of imaging in the context of health policy are strongly encouraged. Provide a description of the proposed project to be completed during the fellowship period in collaboration with the supporting scientists, research specialists and staff. Format the proposal with the (1) project title, (2) strategic category and describe how it will advance the NHPI mission, (3) brief background (including references) stating the significance of the proposed project, (4) specific aim(s) and hypothesis, (5) methods and statistical analyses, and (6) project deliverables. Format requirements include: (a) maximum length is 2 pages (not including references) with 0.5" margins; (b) single-spaced; (c) font type Arial or Times New Roman (no smaller than 11 points). Applications that do not adhere to the requirements will not undergo the review process.
2. Curriculum Vitae (CV): Prefer NIH Biosketch format (5-pages maximum)
3. Department Chair and/or Residency Program Director letter of support with endorsement of the application and description of the department's commitment for the applicant to participate in the program.
